Hi Everyone,

Great excitement in the office as we prepare for the next title in the Wessex Astrologer list. Our dear friend and colleague Paul F Newman has both used and enthusiastically taught the technique of declination for many years, and our latest publication is the result of his research during this time. See below for more details on this delightful book.

COMING IN AUGUST

DECLINATION IN ASTROLOGY: The Steps of the Sun

by Paul F. Newman £15.95

We eagerly await the arrival of this definitive book on the technique and application of declination in astrology. It is packed with the myths and traditions that form the cornerstone of our culture, and the author shows how these are linked with the annual journey of the sun. He also shows - with copious examples - how declination reveals many secrets hidden within the chart. This book will be fascinating reading for all astrologers as well as those who follow a lifestyle that runs in harmony with the solar and lunar festivals. Order your copy below. £15.95 plus postage.
