Truly Astounding TMA Back Issue Sale

Help us to liberate the many back issues of TMA we have at the office! We have had the privilege of distributing TMA for the last 14 years (and look forward to many more) but during that time we have accumulated a lot of boxes of back issues. As Tem said, the reason the folks at TMA work so hard to produce a wonderful magazine is for people to read it, not for it to languish in boxes in the warehouse. Here's the plan: visit the TMA website www.mountainastrologer.com, and follow the link to back issues. Make a note of any that you are interested in - either by date or issue number - then call or email us with your request. We'll check we have them then we'll take your order. Sorry but you can't do this through our website. Local groups are welcome to contact us for bulk orders. Here's the best bit - the prices:

£2.00 each, posted within the UK

£2.50 each, posted to Europe

Minimum order 5 copies

Chiron and the Healing Journey

Melanie Reinhart

First published in 1989 and with minor revisions in between, this latest version is the result of many painstaking years of research. It includes a discussion of the 'Chiron Return' which occurs at age 50, an expanded review of Chiron as representing our current 'Zeitgeist', and extensive material on the astronomical picture. If you bought the old version, you will want this one! £24.85 plus postage.

Astrocal 2011 Diaries

These beautiful diaries, in GMT format, have made an early appearance this year. Just as well since they disappeared pretty quickly last year! Order yours now to avoid disappointment. £12.99 plus postage.
