Superstar Signs

Chrissie Blaze £9.99 + p&p

I love this book. It looks just like a sun sign book, but it is actually much deeper. Through the study of many famous personalities (Angelina Jolie, Bono, Madonna, Rossetti....) she probes what actually makes a star and how you can make the best of your own attributes. Really good reading and suitable for everyone.

Divine Astrology

Enlisting the Aid of Planetary Powers

Lyn Birkbeck £17.99 + p&p

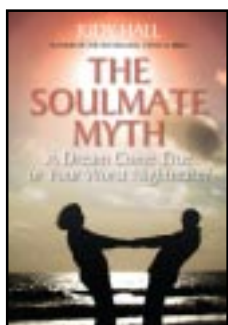

In these strange times all support and guidance is surely welcome. This lovely book and card set by acclaimed teacher Lyn Birkbeck teaches us how to invoke the power of the planets to resolve problems, obtain healing and enlightenment, and empower ourselves for a more positive future.

Life After Grief - An Astrological Guide to Dealing with Loss

Darrelyn Gunzburg £17.95 + p&p

Grief is by its very nature a difficult and upsetting subject to deal with, but also one where help is most often needed. This beautiful and sensitive book discusses the process of grief and the way in which its impact can be understood and supported astrologically. Essential reading for counsellors.

NEW BOOK DUE FEBRUARY

The Soulmate Myth - A Dream Come True or your Worst Nightmare?

Judy Hall £16.95 + p&p

Many people are looking for their soulmate and expect to be blissfully happy when they find one. But sadly they seem doomed to disappointment. Soulmates are both a powerful fact and one of the biggest illusions of all time. This new book from Judy Hall explains why meeting a soulmate can be a soul-scouring experience and what the karmic lessons and conundrums may be. Offering exercises and visualisations to heal the past, it then introduces the revolutionary new concept of twinflames: soulmates without the karma. A fascinating book suitable for everyone - no astrological content!
