Hi everyone!

We're delighted to announce a new imprint under the name of The Wessex Astrologer: please welcome Flying Horse Books, which is where we will be publishing non-astrological titles. Many of our authors excel in areas outside of astrology, and this will give us the chance to bring their work into print. Our very first title is Judy Hall's Good Vibrations, introduced below. We look forward to branching out into many new areas and hope you enjoy it too.

Coming Soon - Available June
Judy Hall's Good Vibrations
£15.95 plus p&p

Judy is well known for her psychic work, and in this book she gives exercises and visualisations to help protect yourself against everyday intrusions and claims on your energy - none of them take more than 20 minutes and no experience is necessary. An essential addition to your survival kit for the 21st Century! Pre-order your copy now through our website.

Star and Planet Combinations
Bernadette Brady
18.95 plus p&p

In her latest book Bernadette gives rare material on the detailed interpretations of an individual's natal heliacal rising and setting stars, which give great insight into the nature of one's soul and spiritual path. Also included is a comprehensive listing of the meaning of every star when combined with all the planets and nodal axis, for natal as well as predictive use. This is available to add to your bookcase right now!
