Hi everyone,

More books! In spite of a busy few months, which included the AA conference, we've found time to gather together another wonderful selection of new titles for you. These include the long-awaited handbook from Sue Tompkins and an incisive observation on astrology and war, from Jamie Macphail. These are all available on our website too. Enjoy!

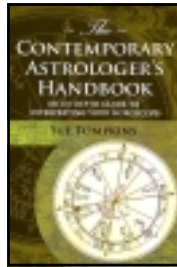

ASTROLOGY, A Place in Chaos
Bernadette Brady - £15.50 + p&p
IT HAS ARRIVED!!!

Here's a book to blow your mind. Brady is renowned for her ground breaking astrology and here explains chaos theory then combines this thinking with the predictive techniques available to astrologers - and shows how we can embrace change, and even encourage it. Awesome.

**CONTEMPORARY
ASTROLOGER'S HANDBOOK**
Sue Tompkins - £18.99 + p&p

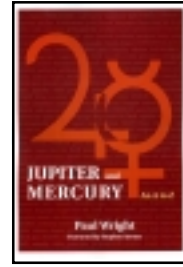

NEW BOOK!

Rich in material for beginner and professional alike, this is an essential modern textbook for anyone wishing to understand how astrology can be applied to all aspects of life. In particular, it examines our personality, emotional needs, ambitions, relationship patterns and past. There is simply no other book like it.

**JUPITER AND MERCURY
AN A TO Z**
Paul Wright - £10.99 + p&p

NEW BOOK!

'Wright's writings are marked by a provocative realism that is based upon considerable experience, observation and research ... [His work is] worthy of serious consideration for anyone seeking to develop an intelligent, reliable type of astrological discipline.' - From the Foreword by Stephen Arroyo

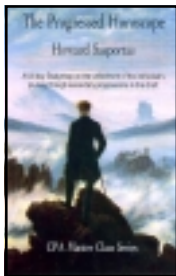

**WHAT DO
ASTROLOGERS BELIEVE?**
Nicholas Campion - £6.99 + p&p
NEW BOOK!

How has this pre-Christian, pre-scientific view of the cosmos survived to the present day and what is its enduring appeal? Here Nicholas Campion explores astrology's past and present, its claims and appeal and explains what astrologers really believe.

**MOON NODE
ASTROLOGY**
Bruno and Louise Huber - £15.00 + p&p
NEWLY REPRINTED!

Pt. 1 Bruno explains the astronomical background and the psychological approach used with the Moon's Nodes and Nodal Chart. Pt. 2 Louise covers the Nodes and Esotericism explaining how earlier lives are shown in the aspect structure and positions of planets in the Nodal Chart.

**THE
PROGRESSED HOROSCOPE**
Howard Sasportas - £25.95 + p&p
To see many more Studysshops visit our website

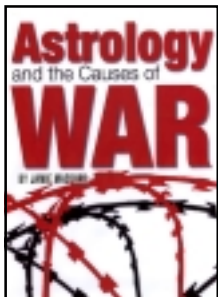

Symbolic planetary motions give meaning to the unfoldment of life. See the nature of the movement of progressed planets and their symbolism in portraying the major pointers in one's life narrative, acting as a timer which highlights the turning points and intersections marking the stages of development.

**PLUTO
AND THE INNER PLANETS**
Liz Greene £25.95 + p&p
To see many more Studysshops visit our website

In this exploration of Pluto's aspects to the inner planets Greene discusses Pluto's involvement with the Sun, Moon, Mercury, Venus and Mars in the natal chart from mythic and psychological perspectives and using individual and national horoscopes.

DUE OCTOBER!

**ASTROLOGY
AND THE CAUSES OF
WAR**

Jamie Macphail - £30.00 + p&p

Are wars inevitable, or could they be prevented through astrological insight? This book analyses the political and astrological causes underlying many of the major wars since 1950 and concludes that it is now time for politicians to consider the advice of astrologers in order to develop greater objectivity. A brave book with piercing insights.
