Understanding Karmic Complexes - Evolutionary Astrology and Regression Therapy

Patricia L. Walsh £24.00 + p&p

While studying Evolutionary Astrology, regression therapist Patricia Walsh realized that regression therapy and Evolutionary Astrology were a potent combination. Using many case histories from clients' own past life recalls compared to their natal charts, the author shows how knowledge of previous lives can enable us to grow, and thus remove the blocks which stop us from manifesting our true potential.

AstroGraphology: The Hidden Link between your Horoscope and your Handwriting
