

THE WESSEX ASTROLOGER

Christmas 2007 Newsletter

Hi everyone!

Here's wishing all of you the best over the yuletide season, and much happy Christmas shopping from your armchair. We have a truly fabulous selection of books on our website, and we're more than happy to advise on that special present if you would like to call us to discuss any of the titles.

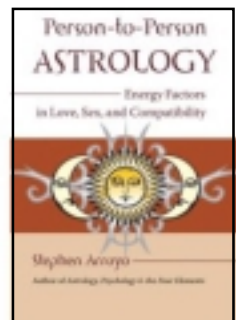

Ephemeris Update

As you no doubt know, the American Ephemeris for just about any selection of years or times has been pretty hard to get hold of in recent months. We're delighted to announce that we now have stock of the following:

American Ephemeris 20th Century Noon	£23.00
American Ephemeris 21st Century Noon	£15.99
American Ephemeris 21st Century Midnight	£15.99
New American Ephemeris 2000- 2100 Midnight	£19.99

NEW!

Between Past and Presence

Eric Meyers £15.95 + p&p

A fascinating journey designed to change the way we view the luminaries. The author looks at the way they work on a spiritual level through their placement by sign, house and aspect. Rewarding reading for beginners and advanced astrologers alike.

NEW!

The Worship of Stars in Japanese Religious Practice

Ed. Lucia Dolce

£20.00 + p&p

An extraordinary and beautiful edition of 'Culture and Cosmos'. This collection of essays concentrates on Japanese astrology, astral religion and cultural astronomy. Contains many black and white photographs all reproduced to an excellent standard. Impressive and unusual.

Person-to-Person Astrology

Stephen Arroyo

£ 14.99 + p&p

As advertised in TMA - the long awaited book on relationships from a humanistic perspective. Stock is expected by the end of November.

Charts and Handwriting

Darrellyn Gunzburg £29.95 + p&p

Handwriting as a means of communication tells us a lot more than what is actually written. What does your handwriting say about your chart and how can you use your handwriting to explore the different aspects of your natal chart? By consciously changing our handwriting we can concentrate on a particular aspect and encourage more balance into our lives. Fascinating and an ideal gift.
